See You At The Pole

See You at the Pole is an annual gathering of thousands of Christian students at the flagpole in front of their local schools for prayer, scripture-reading and worship. It is held during the early morning hours and it takes place on the fourth Wednesday in September. This year we will be gathering at our flagpole at CCS on Wednesday, September 25th at 8:35. Wherever you are at that time, we would love to have you praying for the students as we lift up their friends, families, teachers, school, and nation to God.

Who Does This Belong To??

This is a question that we hear a lot here at school. To help us reunite lost items with their owners, we would like to ask our parents to please be sure to put your child's name in their jackets, lunchboxes, thermoses, backpacks, PE uniforms or anything that can be put down and left behind. It helps us to reunite lost items with their owners. We have a lost items clothing rack in our lunchroom for your convenience. Thanks so much!

The Springman Family

Join us here at CCS on Monday, Sept. 30, 8:30AM, for a concert by the Springman Family! They're an award-winning, ukulele-strum group made up of Perry Springman and his four talented kids. The event is free with CDs, t-shirts, and other items available for purchase from \$1-15. The family supports World Vision and will provide info about supporting a child.

Visit their webpage: <https://www.myhappybeach.com/>

The Springmans are looking for a host family who would provide at least two beds Sunday night, September 29th, and breakfast Monday morning.

Open House Dinner SALT Opportunity

Our open house is coming up soon - on Thursday evening, October 24. Each year we like to provide a dinner for the convenience of CCS families as well as give an opportunity for families to get to know each other.

We are looking for a few people to take on preparing the rest of the dinner details. This would involve shopping for food and getting it ready to serve. The Foundation graciously provides the funding for purchasing dinner items, and the staff happily helps with serving.

This is a fun, relationship building event and a great opportunity to get in some of those SALT hours early in the school year. If you can be available the afternoon of October 24 or a day or two before to shop, please call the school. We will give you all the details. Thank you so much for letting us join with you in training up your children in the way they should go.

Moms in Prayer Group

Moms, grandmas, aunts and all praying women: Do you have a burden on your heart to pray for your kids and their walk with the Lord, their well-being and their future? Do you have a nudging in your spirit to be praying for our teachers and staff and for our school? Do you want to seek the Lord and pray with other women who are like-minded? We have some moms that are meeting together, believing God is calling us to come together and pray "for such a time as this" for our school and for our kids. Please join these moms in prayer on Thursdays at 8:00am here at CCS.

Found Books

Mrs. Lucas found some brand new books under a chair in the hallway last week. If they are yours, come on in to the office and identify and we can get them to you.
