School Board Action

The school board appreciates all the hard work our families and staff are doing during this time of distance learning. They understand it has been a huge challenge for everyone, and yet we are all pulling together for God's glory and our good. At last night's emergency meeting, the school board took action regarding tuition payments during this unprecedented time of students learning from home. You will receive a letter from the board attached to your tuition statement via email sometime today. Be sure to read the letter. It has some very good news.

New Bin for Returning Schoolwork

We have a new method for drop off of returning schoolwork. All grades can go in the same bin which you will find on the table to your right as you come thru the doors. Thank you! Returning red this week and picking up green! You are all the best and so patient with us as we make adjustments!

Lost and Found

On Friday we will have our lost and found items out front under the awning if you want to take a look and claim anything that may be your child's.

Desks

Also under the awning are some extra desks if anyone would like to have one for your students learning area.

Returning Family Registration – DEADLINE APRIL 24th

Priority status for class placement is given to completed packets and application fees returned by the April 24th deadline. We understand that given the uncertainty of our economy, this may be a most difficult decision. Our School Board is sensitive to this and wants to help in any way they can. Please feel free to contact the school if you have questions or concerns about registration.
