Proposed Transitional Housing Near CCS

As many of you know, there is a proposal before our city council to permit long term housing for psychiatric patients very near our school. The owners of Noble Health Care, the agency requesting the permit, would like to meet with us to answer our questions and concerns as well as explain their plans. We have scheduled a meeting to do that for May 13 at 6:30. You are welcome to join us and learn more about the proposal. There is also a city council meeting scheduled for May 14 at 7:00 when the city code will be discussed. Attend to learn more about the proposal as well as let your representatives know your concerns.

SALT Hours

Just a reminder that there are only 35 days left to fulfill your SALT hours! If you have any questions about your hours, you may email sharma.cawley@gmail.com. Any unserved hours will be billed to you after the last day of school.

Step Into My Shoes

May 20-23 is our Spiritual Fitness Week. We are utilizing an amazing program from Compassion International called 'Step Into My Shoes'. During the week we will learn about Jonas, Leah, Audrey Mae, Huegene and Heunice, 5 kids from the Philippines. One of the activities is making games out of recycled materials. So we are in need of the following:

Cans - with lids off and washed. Labels can be on or off.

Plastic cups, lids, straws (washed)

Plastic containers that food may come in

Plastic bottles of all sizes

Small cardboard boxes like Cereal Box or similar

We will have containers at school for the kids to drop off anything you would like to send. Beverage cans would not be good because of the sharpness of the drink opening.

We also need to a few people to make about 130 poster board flip flops. We will give you the flip flop pattern you can trace on to the poster board and cut out. SALT Hours apply!

Financial Assistance

Don't forget that Financial Assistance applications are due next Friday, May 17th!
