

Inclement Weather Plan

Save & Post!

Whether or not we like it, inclement weather is usually a part of our Northwest winters. When this happens, it is often necessary to delay the start of school or cancel school altogether. The following sources will report CCS school day delay or closure:

Live 95.1 FM/KITI 1420 AM
KMNT 104.3 FM/KELA 1470 AM
KING 5
KACS 90.5 FM
MIXX 96.1 FM
CCS Facebook page
www.chronline.com

It would be a good idea to keep watching/listening if inclement weather (which may include snow, ice, heavy rains or wind) is even predicted, as our families reside as far away as Oakville, Toledo and Olympia. Even if the weather isn't bad in your area, it could be bad enough in other areas to warrant school delay, early dismissal or closure.

Our goal is to announce a delay or closure of school between 6:05 AM and 6:30 AM. Please **DO NOT** call the radio stations, the school or school staff! If the initial decision is to run school two hours late, parents are advised to **KEEP WATCHING/LISTENING** in case weather conditions deteriorate enough to warrant closure.

If we have a late start to school, there will be **ONLY MILK AVAILABLE, NO BEFORE SCHOOL CARE and NO HALF DAY PRESCHOOL** on that day!!

Should early release from school be required, we will try to give two hours notice. It is preferred that parents not call the school office to ask if school will be dismissed early. If there is a concern, parents should feel free to come pick up their child without calling the school in advance. This enables us to keep the phone lines clear for emergency calls.

Thank you!
