Please submit your apparel order and payment to the office by next Wednesday, November 20.

Playground Installation

Our new playground equipment will be installed starting next Monday, November 18. We are so excited to have the equipment installed and ready for the students to enjoy. Unfortunately, it may not be ready right away. There will be gravel to be spread and other details to address once the new playground equipment is in place. So, much to the students' dismay, it may be a few days before they will be able to play on the new equipment. We are as eager to see them play on it as they are to play on it. Thank you Chad Snyder for preparing the installation area by moving all the rock around!

New PE Teacher

It is with great joy and delight that we welcome Annie Oien as our new PE teacher. She comes to us with many years of experience teaching fitness classes. She promises to be an awesome PE teacher. Her official first day is after Thanksgiving, but she is here subbing for Mrs. Berg today and Friday. We are sorry to see Mrs. Berg leave. She has been such an awesome PE teacher. We wish her the very best as she follows her husband to Alaska where he is an Alaskan State Trooper. Thanks for you've done at CCS Mrs. Berg. We will miss you!

Bake Sale!

During lunch on Thursday and Friday of next week - November 21-22, our 6th grade is hosting a bake sale to raise money for fire victims of the Paradise, CA wildfire. They have been reading about the fire in their Storyworks Magazine and have been communicating with friends from Chehalis who visited Paradise this fall to help those trying to rebuild. They will be purchasing supplies and gifts for a 34-year-old single mom and her four children (two sixteen-year-olds, a seven-year-old and a two-year-old). Depending on the funds raised, they may also give a gift to a couple who are in their 60's who were missionaries in the Middle East and had recently returned to the States and settled in Paradise. Part of their home was saved, but they are still working, one year later, to make it habitable. Much of their

property was damaged and have a long way to go before they can move back home. Both families are working to get settled back in Paradise, and their class wanted to do something to help. Raising money through a bake sale sounded like a great plan!

No School Reminder

Just wanted to remind everyone that with parent-teacher conferences, staff day and Thanksgiving break, there is no school for the week of November 25th-29th.

SALT Hours

We are needing someone to run the clock for our 2 home girls basketball games on Nov. 19 and Dec. 3. If this is something you would like to do, SALT Hours do apply!

Giving Tuesday

#GivingTuesday is an annual fundraising celebration held on the Tuesday after Thanksgiving. It harnesses the online generosity of millions to support causes they believe in, including Centralia Christian School. This year, we will be participating in #GivingTuesday and asking for donations on December 3, 2019, to support our school and its programs. Please consider us in prayer, and if you are able and willing we ask that you give generously and/or share this event via Facebook, Twitter, etc. to make others aware of our school, its mission, and its needs (2 Corinthians 9:7). To donate or share our donation link visit: <http://www.centraliachristianschool.org/support-ccs/donate-now.cfm>
