## **Ugly Sweater Day**

On Wednesday, Dec. 18, our last day of school before Christmas Break, we are going to have an Ugly Sweater Day! So let's have some fun and have your kids dig out their sweaters - even if they're not ugly!

## **Envelope Stuffing**

We have a great SALT hour opportunity tomorrow the 12<sup>th</sup> if you would like to come by the school at 9:00 and help stuff envelopes for an upcoming mailing we have.

## **Thank you! Thank you! Thank you!**

The sixth graders want to thank you for participating in their bake sale last month. Over the two days, they collected \$617.75!! Yes! You read that correctly. We made over six hundred dollars to be given to victims of the Paradise Fire. We will be shopping this next week and blessing them with a few purchased gifts and a number of gift cards that may be used for rebuilding and replacing things that they lost in the fire. Again, thank you! And, many thanks to those who baked and ran the bake sale! Obviously, we couldn't have done it without your help! Without even knowing it, you were a blessing to the Centralia community, as well! The extra goodies from the bake sale were taken to The Gather to be distributed to residents of Centralia. So, you were a blessing to many who live here and in California! Many thanks!

## **Parent Liaison Program**

We're restarting our Parent Liaison program to partner CCS with more local churches. Our goal is to form ongoing relationships with as many churches as possible, and we need your help!

Parent Liaisons provide their churches with information regarding CCS and share church related service opportunities with our school. The time commitment is low, but the impact is high, and being a Parent Liaison will count for SALT Hours.

If interested, please attend the Introductory Potluck on the evening of January 13 or contact the Office for more information.

## **Giving Tree**

We still have some individually labeled ornaments hanging on our Christmas Giving Tree if you are wanting to purchase something for your student's classroom. If this is something you would like to do, just pick out an ornament and bring the item back to the school whenever it is convenient for you! Thank you so much!

### **Homework Club Tutors**

We have started a "Homework Club" after school on Mondays here at CCS. At Grandparents' Day last October, several grandparents volunteered to tutor students who could use a little extra help. We are now looking for additional tutors. As a tutor we give you lots of support. We train you, give you all the materials you need for the one-hour tutoring session, and can help if needs arise. This is a SALT hour opportunity and remember SALT hours can be earned by grandparents. So if you have an extra hour Mondays after school, or you know someone who would enjoy influencing a student's life by helping them achieve success, will you give the office a call? May your Christmas holidays be merry and bright with God's love.

### **Boys Basketball**

If you have a 6-8 grade boy that is interested in basketball here at CCS, please contact Jason Moir at [jason.moir@centraliachristianschool.org](mailto:jason.moir@centraliachristianschool.org). as soon as possible.

Thank you Mr. Jim Lowe and Mr. Ed Wallace for volunteering your time to start up our Chess Club again! It will be starting on Wednesday, January 8<sup>th</sup> during the lunchtime recess! No sign ups needed, we will just remind kids to show up during their recess time.
