## **Auction News**

Our annual auction is fast approaching and we are so excited about how things are shaping up this year for 'Showered with Blessings for 40 Years' on March 14! This is the largest fundraising event of the year and is an incredible community builder but we can't do it without your help. If you or anyone you know is able to donate an item to the auction, please bring it to the office or contact us and we would be happy to pick it up. Any and all donations are accepted and appreciated. Please consider blessing our school with a donation or a request for a donation - ask your friends and family - ask businesses you frequent! We have official donation request letters in the office. In addition to general donations, your students class basket coordinator should have already contacted you for a contribution to the class baskets. Please help them out by responding to their request. The class baskets themes are exciting this year and are always a fun part of the auction! Thanks for all you do for our school!
