Covid 19 Precautions

We are so blessed by your continued dedication to following our Covid19 guidelines. We have finished the first quarter and we give God glory for His protection. We also give thanks for you and your diligence in maintaining precautions against Covid19.

As this virus seems to be raising its ugly head again, we need to be vigilant in keeping CCS Covid free. We continue to count on parents to check your child's temperature each day before bringing them to school. Thank you to all of you who have kept your child home from school just to be safe when they aren't feeling well. God has kept CCS safe. Alleluia!

Face coverings are important for your children to wear into the building each day. Since there are so many of us this year, it's difficult to maintain social distancing at pick up and drop off. Covering our faces in these situations really helps.

Thank you for all you are doing to make this year successful. We praise God for you.

SALT Hour Opportunity

- Please join us for an envelope stuffing party on Monday, November 30 at 3:30 p.m. in the CCS library. Depending on attendance, this project should only take an hour or so.
- We are in need of a few people that could help us with our Passport program one day a month from 9:45 – 12:15. Give Chelly Natchatilo a call at 360-388-1631 and she can fill you in!

Nacho Day Fundraiser

This Friday, November 13th, our 8th grade class is having a fundraiser for their Washington DC trip this next spring. Besides the normal items available for lunch on that day, the kids can also choose Nacho's for \$3.00 or Nacho's and a Soda for \$4.00. Toppings for the Nacho's will include: Nacho Cheese, Chili, Olives, Jalapenos and Sour Cream. Let's help get these kids on their way!

Thanksgiving Family Fun Run

Don't forget about our upcoming Family Fun Run on Saturday, November 21 beginning at 10:00 AM. Registration starts at 9:30. We have our shirt order placed, but you can still

sign up to run with us. You'll just need to come up with your own tee shirt. Lots of fun things are in the works for this day of Thanksgiving and celebration. There will be a Taco Truck joining us in the parking lot and we hope to have more vendors joining us. This will be a fun day. Come, be a part of the fun if you can! For those of you that have already signed up, will find the course map in your Family Envelope today.

Conferences

Conferences are coming up on November 23 & 24. You will find your child's scheduled time in your family envelope today. If the time slot does not work with your schedule, please give the office a call and we can find another spot for you.

Shoebox Christmas

If you put together an Operation Christmas Child shoebox, don't forget they need to be brought to the school this Thursday, the 12th!

Water Bottles

Don't forget to send a water bottle to school with your child's name labeled on it. We are using water bottle filling stations in place of the drinking fountains now and we really want to make sure your child is drinking plenty of water.
