Phoning Friends and Family Contest

Our students did a tremendous job of phoning friends and family and inviting them to our virtual auction. The Seventh grade blew us all away making over 100 phone calls! They will enjoy a 30-minute recess on an upcoming sunny afternoon. Way to go Seventh grade! Mrs. Radtke enjoyed a phone call this morning from a grandpa who won the tuition discount raffle. He is from out of state and said the most fun part of the auction for him was having his granddaughter call and invite him to participate in our auction. Then to receive another phone call from his granddaughter telling him he won was blessing beyond expectation! Thanks to all of you who took the time to have your child make a phone call to family members or friends. You too are a huge blessing.

Thanks for Another Great Auction!

Thanks to everyone who helped us get the word out. This year's auction was missing a lot - like food, games and friends, but our generous supporters once again made it a huge success! Stay tuned for information on our upcoming 41st Anniversary and Reunion summer celebration filled with food, friends and games.

New Principal Update

Our Hiring Committee is working hard to find just the right principal for CCS in the 2021-2022 school year. The first interviews have been completed, and we have two candidates moving to round two. We hope to have news of just who the new principal will be sometime in April. Please continue to pray that God gives the school board and hiring committee clear direction as to His perfect choice for this important position.

Daddy Daughter Dance

Calling all daddy's and daughters! We are having a Daddy Daughter Dance on April 30, from 6:30-8:00. So mark that on your calendars and we will have more details to follow!

Flower Basket Orders

Just a reminder that Flower Basket Orders are due in the office on April 1st with pick-up after school on May 6th or any time after 8:30 am on Friday the 7th. These are beautiful baskets and just in time for Mother's Day!

Lost Money

Every once in a while we have found money turned into the office. If your child loses money, please have them check in the office.

Ed Wallace – A Godly Man and a Great Coach

It is with a heavy heart that we share with you the following news. Ed Wallace, our cross country coach and chess club leader, went home to be with Jesus Monday evening. He will be so very greatly missed by everyone here at Centralia Christian School. Many of you may remember him directing you and keeping you on course at our Thanksgiving Family Fun Run last fall. Ed loved God with all his heart, and he also loved running. Those two traits made him the perfect fit for coaching cross country at CCS. Please remember to pray for Ed's wife Cynthia, his sons Tim, Andrew and Matthew, his daughters Kara, Michelle, Emily and Anna Rose, and all his grandchildren. Madilynn and Noah are CCS students. Condolences can be sent to the family home at 939 King Rd, Winlock, WA 98596

Musing from Mrs. Stout
