

# Lions Roar 3-3-21

## **Auction News**

As you already know, this year our auction is going virtual. We want to get the word out to all our friends and families. Our students are a great resource to help us with this. Students politely informing and inviting guests to our auction is a very convincing strategy. Will you help your child call your friends and relatives to tell them how easy it is to join in the fun? Below is a script your students can use to include all the details. Be sure to keep track of the number of phone calls your child makes because we have a surprise in the works. Thanks so much.

Hi \_\_\_\_\_,

This is \_\_\_\_\_ NAME \_\_\_\_\_. My school's auction is virtual this year, and I wanted to invite you to join online and support my school at [ccs.ggo.bid](https://ccs.ggo.bid)

Just click the "Get Started" button and create an account.

Raffle tickets for raffle items are already available for purchase with bidding on silent auction items starting on Tuesday, March 16, and live auction items opening for bids on March 18.

Bidding on all items closes on Saturday, March 20, at 7PM, and purchased items can be picked up at Centralia Christian School on Sunday, March 21.

## **Welcome Back Parent Volunteers**

We have missed our parent volunteers immensely this school year. Thank you for your support and understanding as we limited visitors into the school building these past months.

We will continue to limit visitors into the building to protect students and staff from Covid19. However, we are allowing parent volunteers to come into school by appointment. If you would like to help out in your child's classroom or just lend a hand to the many projects ongoing at CCS, please give the office a call. Let the office staff know when you would like to come and what you would like to do. If you hope to help in a classroom, please first give the classroom teacher a call. That way you can arrange a time and task to meet the teacher's needs. Thank you for understanding this cautious approach. We are so delighted to be able to teach our students face to face this year. It is truly evidence of God's provision and protection.

## **Hiring a New Principal**

Progress on finding a new principal for next school year is in the works. Our hiring committee is meeting faithfully. The job opening is being promoted locally as well as online. An interview agenda is in development. Please pray that more qualified candidates will apply. Pray too for the committee and school board to have keen insight regarding who should be our next school leader. The committee is planning a meet and greet time for families once the process is farther along. Stay tuned. God is on the move, and He has just the right person in mind to lead CCS in the years ahead.

### **SALT Hour Opportunity – Lunchroom Help**

Do you love lunch? If so, this may be the perfect opportunity for you to earn those SALT hours. We are so very grateful for all our new families this year. With the increase in student numbers we find our lunchroom a very busy place this year. We could use your help with supervising students as they enjoy their lunch time. We are looking for 5 people to take a day of the week (i.e. Mondays or Tuesdays or Wednesdays etc.) to help our amazing lunchroom lady, Mrs. Mullin from 11:00-12:30. We would give you all the training needed. This could be a fun time of getting to know the students as you help them with opening milk cartons, heating lunches and cleaning tables. If this could work in your schedule, please give the office a call.

## **Calendar**

March

- 6 Cross Country Meet @ Borst Park
- 8 Volleyball 5:30 @ Hoquiam
- 10 DC Dogs
- 10 Volleyball 4:00 @ Centralia
