Spiritual Fitness Lunch Tomorrow

Tomorrow is our last day of Spiritual Fitness Week and we are ending this time with an authentic Filipino lunch consisting of lumpia (spring rolls - like egg rolls), noodles and water. We are encouraging all students from 1-8th grades to not bring a lunch from home and just eat the prepared food or at least give the Filipino food a try and then they can eat their lunch afterwards during recess. For K+ and Preschool students that eat lunch at school, we will only be offering a sandwich lunch.

We would also like to purchase the following for families in the Philippines. Our goal is \$500 and we would love to be able to help them out with the following:

1. Income Generation \$200 (Seeds, chicken, goat, to help a family generate income)
2. Mosquito Nets \$18 - as many as possible
3. Water Bundle \$200 (Water filter and \$ towards a well)

Would you consider bringing an offering for what you would spend on lunch, or more if desired, to help purchase these items?

ESF Permit Withdrawn

Noble Health Care has withdrawn their permit to locate an Enhanced Services Facility near CCS. Thank you to everyone who helped raise awareness of the conflict of interest in locating a facility such as this so near to schools. "Now to Him who is able to do immeasurably more than all we ask or imagine, according to His power that is at work within us, to Him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen" Ephesians 3:20

Materials Fee Balance

Please remember to pay your materials fee balances before June 1. After June 1 the materials fee amount increases by 20%.

Passport

Our May Passport test is coming up on May 30th! Our End of the Year Passport Challenge is on June 6th, with the awards handed out on June 12th during our End of the Year Assembly. So get all those maps back out and study, study, study!

Let's Pray Together!

Moms, grandmas, aunts and all praying women: Do you have a burden on your heart to pray for your kids and their walk with the Lord, their well-being and their future? Do you have a nudging in your spirit to be praying for our teachers and staff and for our school? Do you want to seek the Lord and pray with other women who are like-minded? I believe God is calling us to come together and pray "for such a time as this" for our school and for our kids. Please join me in prayer Monday June 3 at 9am in the school library. We will meet the following Monday, June 10 as well and then discuss future meetings in the fall or possibly over the summer! See you there!
