## **Thank you from Hub City Mission**

A big thank you to all the teachers, parents & students who made dessert for Hub City Mission. Sometimes we underestimate the value of little acts of love & kindness. But I want you to know that it really does go a long way in making people feel like they matter. My prayer for each of you is that God would continue to give you generous hearts & a deeper understanding of His great love for all of us. I hope to partner with you again next year!
