

REOPENING PLAN

Fall 2021

Pursuing Christ Together

Centralia Christian School is excited to outline our plan for reopening the school in-person this Fall. Our mission, vision and purpose remain as strong as ever. We are, as always, committed to pursuing Christ in character, academics and service in order to train our future leaders to use their hearts, heads and hands for Christ.

Our commitment to providing an outstanding education has not wavered despite these times. Together with our administrative team, faculty, staff and stakeholders, we have developed the following guidelines, which we will continue to refine, to provide a safe, stable, secure and nurturing environment for our students, families, staff and volunteers. The 2021-2022 school year will continue to offer Christ-centered programs and proven teaching methods coupled with new and effective strategies to help our students pursue lives of Godly leadership and service, academic rigor, and individual responsibility and integrity based on the moral absolutes of God's Word.
