CHRISTIAN SCHOOL

February 8, 2023

Dear CCS Families,

It is time to register again for the upcoming school year! Thank you for the opportunity to serve your children this year. Every day, I am encouraged to see what God is doing in His place with His people to build up the upcoming generation for His glory.

We are grateful to the families who have chosen to partner with us to offer a Christ-centered education. In every classroom, Jesus has been the hero, the leader, and the friend that our children need. Jesus is who we sing to, we learn for, and we submit to.

I have very much appreciated the chance to serve you as Principal. You have been warm and supportive, and I also have enjoyed the benefit of having a student in the classroom at CCS. Thank you for the chance to serve God alongside you.

We have expanded some of our programs to make room for more students, and we want to make sure that everyone in our CCS community who need a place for their child has room. Please register your children to make sure your place in the classroom is maintained for the upcoming year before we move to open enrollment.

This year we are increasing tuition slightly to continue to offer the same high quality of education. We are very careful with the funds entrusted to us, and we work hard to give you the best for your money. The School Board has voted for a 5% increase to tuition and restructured the multiple student discount. (please see the attached tuition schedule for details). The Board did not make this decision lightly, and they inform me they are doing what they can to keep costs low, hire and retain great staff (we have an amazing 5 to 1 student ratio), and offer the best education possible.

As we look to make Christian education available to all who have needs, we have improved our math, reading, and other supports. We want to look like the church in every way. This also means that we want all families, even those who need financial help, to let us know how we can support them. We don't want any student to miss out on this God-centered education because of a need we can work together to overcome. When I went to college, I received financial support, and I have not regretted applying.

Thank you for your choice to work with us to bless the generations. Please let me know if you have any questions or ideas for the upcoming year. It has been an honor and a blessing to serve you personally, as a staff, and as a body of believers.

Gratefully,

Principal

Verse of the Year: Romans 12:9-10 *Let love be genuine. Abhor what is evil; hold fast to what is good. Love one another with brotherly affection. Outdo one another in showing honor.*
